# Eucor & EPICUR

Study in Basel. Experience Europe.

## **An offer for all students.**

No matter what subject you choose to study at the University of Basel, our two European university alliances Eucor & EPICUR allow you to integrate international study experiences into your study program. There are no extra costs, and it includes credit points. No other Swiss University offers you such a variety of international study programs.

## **Eucor – The European Campus.**

Eucor is a trinational alliance of five universities in the Metropolitan Region of the Upper Rhine. In addition to Basel, it includes the University of Freiburg and the Karlsruhe Institute of Technology in Germany, as well as the University of Strasbourg and the University Haute-Alsace (Mulhouse-Colmar) in France. Eucor allows you to choose freely from the course programs of all five universities. You can choose individual courses, entire modules or spend one or two semesters at a partner university. The University of Basel is the only university in Switzerland that gives you this unique opportunity.

## **EPICUR.**

EPICUR is an alliance of nine universities in seven European countries. It includes the Eucor partner-universities as well as the Adam Mickiewicz University in Poznań (Poland), the Aristotle University in Thessaloniki (Greece), the University of Southern Denmark in Odense (Denmark), the University of Natural Resources and Life Sciences in Vienna (Austria), and the University of Amsterdam (Netherlands). Eucor is officially an associated partner of EPICUR, which allows you to participate in an exclusive selection of innovative and practice-oriented courses. This usually means working on current and socially relevant issues (real-world-problems) in international, interdisciplinary teams and in contact with real stakeholders from politics, economy, and society.

## **What's in it for you?**

Expand your studies and broaden your horizon with Eucor & EPICUR. Eucor & EPICUR complement your studies at the University of Basel perfectly by offering exciting courses that encourage the acquisition of skills which go beyond the content of your regular courses. This enables you to obtain interdisciplinary and social skills which are an ideal preparation for a career start in Switzerland and abroad.

## **Travel for free, with little effort and as often as you like!**

With Eucor & EPICUR, you can attend online or in-person courses at our European partner universities. There are no additional fees, and your travel costs will be reimbursed up to a maximum limit. You can attend courses and programs from Eucor & EPICUR as often as you want, starting in your first Bachelor term up until the end of your Master studies.
