

**CRYPTO PARTY @ Embedded Digitalities**

**6 April**

**20.00-22.00**

**Rheinsprung 9, Basel**

**Room - 201**

Cryptoparties are organized all around the world to “pass on knowledge about protecting yourself in the digital space. This can include encrypted communication, preventing being tracked while browsing the web, and general security advice regarding computers and smartphones.” (<https://www.cryptoparty.in>)

**bring your phone and/or laptop to install and use tools right away**

**- food and drinks will be provided -**
